

american english file vocabulary pdf

Regional vocabulary within American English varies. Below is a list of lexical differences in vocabulary that are generally associated with a region. A term featured on a list may or may not be found throughout the region concerned, and may or may not be recognized by speakers outside that region.

American English regional vocabulary - Wikipedia

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. Similarly, the language spread to numerous other parts of the world as a result of British trade and colonisation elsewhere and the spread of the former British Empire, which, by 1921, held sway over a population of 470–570 million people, approximately a ...
