A talent manager (also known as an artist manager, band manager or music manager) is an individual or company who guides the professional career of artists in the entertainment industry. The responsibility of the talent manager is to oversee the day-to-day business affairs of an artist; advise and counsel talent concerning professional matters, long-term plans and personal decisions which may ...

### **Talent manager - Wikipedia**

An artist is a person engaged in an activity related to creating art, practicing the arts, or demonstrating an art. The common usage in both everyday speech and academic discourse is a practitioner in the visual arts only. The term is often used in the entertainment business, especially in a business context, for musicians and other performers (less often for actors).

Logicmaker is a Viz Artist companion tool that provides a visual and interactive way of creating new and modifying existing Transition Logic scenes. The web-based tool is typically run on a second screen, next to the Viz Artist. It displays all the toggle layers in the scene, giving the designer the ability to create, rename, replace and delete toggle layers.

CMH 1976 – 2012. Christopher Martin Hoff was a plein air painter, working on site on busy city sidewalks, on rooftops, and in urban green spaces, Hoff's paintings are at once an exercise in meditational focus and a working blueprint of the cyclical construction and demolition of the urban landscape around him. Sadly Christopher Hoff passed away March 12, 2012 from natural causes.
