Dell is an American multinational computer technology company based in Round Rock, Texas, United States, that develops, sells, repairs, and supports computers and related products and services. Named after its founder, Michael Dell, the company is one of the largest technological corporations in the world, employing more than 103,300 people in America and around the world.

### **Dell - Wikipedia**

The Inspiron 1525 is a laptop designed and distributed by Dell as part of their Inspiron range. There is also an AMD variant known as the Inspiron 1526. The laptop is the successor to the Inspiron 1520, and was released in January, 2008. This computer was available to purchase on the Dell website, where it could be customized to the user's specification.
