### **Engaging Organizational Communication Theory & Research**

To speak of "interpretive organizational theory," or "critical organization theory," or "postmodern organization theory" is not to speak of any one single theory. Rather, each is "along with the postpositive perspective" a general approach to the looking at the problem of organizational communication.

## **Modern Theories of Organizational Communication**

Agenda-Setting Theory Concept 1: The agenda-setting process is a very fluid, dynamic attempt to get the attention of the media, the public and/or policy makers. Concept 2: The agenda is a "set of issues." Recent research indicates that agenda-setting theory can be multi-directional.
