Occupational & environmental physicians are concerned with the health of workers and their environments through clinical care, disability management, prevention, research and education.

American College of Occupational and Environmental

Language teaching practice often assumes that most of the difficulties that learners face in the study of English are a consequence of the degree to which their native language differs from English (a contrastive analysis approach). A native speaker of Chinese, for example, may face many more difficulties than a native speaker of German, because German is more closely related to English than ...
