The Under-Five and Maternal Mortality rates in Somalia are amongst the highest in the world; one out of every seven Somali children dies before seeing their fifth birthday (137 deaths/1,000 live births) with a higher number in south and central Somalia.

UNICEF Somalia - Health - Child and Maternal Health

Advanced maternal age, in a broad sense, is the instance of a woman being of an older age at a stage of reproduction, although there are various definitions of specific age and stage of reproduction. The variability in definitions is in part explained by the effects of increasing age occurring as a continuum rather than as a threshold effect.. In Western, Northern, and Southern Europe, first ...
