The Adobe Universal PostScript Windows Driver Installer 1.0.6 was originally intended for use with Windows'95, Windows'98, Windows ME, and Windows NT 4.x.. For all newer versions of Windows, the PostScript driver developed jointly by Adobe and Microsoft is included with the operating system. Under 32-bit versions of Windows 2000 and Windows XP, the driver installer simply serves to associate ...

Autodesk Revit is building information modeling software for architects, landscape architects, structural engineers, MEP engineers, designers and contractors developed by Autodesk. It allows users to design a building and structure and its components in 3D, annotate the model with 2D drafting elements, and access building information from the building model's database.
