Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

The English word "China" is first attested in Richard Eden's 1555 translation of the 1516 journal of the Portuguese explorer Duarte Barbosa. The demonym, that is, the name for the people, and adjectival form "Chinese" developed later on the model of Portuguese chinÃs and French chinois. Portuguese China is thought to derive from Persian ChÄn (), which may be traced further back to Sanskrit ...
