This collection of forty original essays reflects on the history of adaptation studies, surveys the current state of the field, and maps out possible futures that mobilize its unparalleled ability to bring together theorists and practitioners in different modes of discourse. Grounding contemporary adaptation studies in a series of formative debates about what adaptation is, whether its ...

The Handbook of Clinically Tested Herbal Remedies

The University of Oxford (formally The Chancellor Masters and Scholars of the University of Oxford) is a collegiate research university located in Oxford, England. It has no known date of foundation, but there is evidence of teaching as far back as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation.

Social work is an academic discipline and profession that concerns itself with individuals, families, groups and communities in an effort to enhance social functioning and overall well-being. Social functioning refers to the way in which people perform their social roles, and the structural institutions that are provided to sustain them. Social work applies social sciences, such as sociology ...
