American Journal of Physical Chemistry (AJPC) publishes review articles describing frontier research areas in physical chemistry. Internationally renowned scientists describe their own research in the wider context of the field. The articles are of interest not only to specialists but also to those wishing to read general and authoritative accounts of recent developments in physical chemistry ...

New A-level 2015. The revision guides are split into physical, inorganic and organic chemistry. There are no modules. The AS only topics are labelled AS.

### 1. AQA Revision Guides | chemrevise

Chemistry is the scientific discipline involved with compounds composed of atoms, i.e. elements, and molecules, i.e. combinations of atoms: their composition, structure, properties, behavior and the changes they undergo during a reaction with other compounds. Chemistry addresses topics such as how atoms and molecules interact via chemical bonds to form new chemical compounds.
