2 Programmes offered Applications are invited for admission to PhD programme at Pilani, Goa and Hyderabad campuses under 'Full Time' and 'Part Time' scheme in following Departments during First Semester 2018-19

Admission Brochure for PhD Admission Test: First Semester

article highlights. Hundreds of plant misconceptions occur in the teaching literature. Fifty misconceptions are identified in this article. Some misconceptions are easier to identify because they are oversimplifications, overgeneralizations, or misidentifications.

ActionBioscience - promoting bioscience literacy

1. INTRODUCTION - OVERVIEW - Biology as a science deals with the origin, history, process, and physical characteristics, of plants and animals: it includes botany, and zoology. A study of biology includes the study of the chemical basis of living organisms, DNA. Other related sciences include microbiology and organic chemistry.
