

search engine optimization seo pdf

Search engine optimization (SEO) is the process of affecting the online visibility of a website or a web page in a web search engine's unpaid results—often referred to as "natural", "organic", or "earned" results. In general, the earlier (or higher ranked on the search results page), and more frequently a website appears in the search results list, the more visitors it will receive from the ...

Search engine optimization - Wikipedia

SEO stands for "search engine optimization". It is the process of getting traffic from the "free, organic, editorial" or "natural" search results on search engines.
