Sujata Massey just keeps getting better and better. I enjoyed her mystery novels set in Japan, but her historical literary fiction is far richer and more emotionally engaging. The Sleeping Dictionary was an moving page-turner.

### **The Sleeping Dictionary Kindle Edition - amazon.com**

"The Sleeping Dictionary" is a sweeping historical-fiction tale about a young woman trying to find her way in India during a time of great change in that particular country. Kamala (called by many other names in the book) knows that she truly has the odds stacked against her at so many stages in her life.
